

THINK AHEAD!

Before you get a pet, it's important to think about how long your pet may live. Fill in the blanks below.

My name is _____ and I am _____ years old.

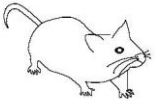

- If I got a cat today and he lived for 15 years, I would have him until I was _____ (your age + 15) years old.

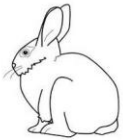

- If I got a dog today and she lived for 12 years, I would have her until I was _____ (your age + 12) years old.

- If I got a guinea pig today and he lived for 4 years, I would have him until I was _____ (your age + 4) years old.

- If I got a rat today and she lived for 5 years, I would have her until I was _____ (your age + 5) years old.

- If I got a rabbit today and he lived for 8 years, I would have him until I was _____ (your age + 8) years old.

How could your life change five years from now?

How could your life change ten years from now?
